| Suggestions for Improvement: | Allison did a great job in my classroom. She was always prepared and asked questions when she needed clarification. This is one of Allison's first experiences in a classroom so she was sometimes hesitant when teaching and giving directions. I feel that she will get stronger in her questioning strategies as she gains more experience and confidence. |
| Overall Rating: | Proficient |
| Suggestions for Improvement: | Allison did a great job during her lessons. She gave clear directions and was willing to help those who needed extra support. She modeled the expectations for the writing lesson and gave suggestions to my students to make their writing clear. Great job!! |
| Overall Rating: | Proficient |
| Suggestions for Improvement: | Allison was very natural with the students in my room. She was always kind and caring to all the students and established a good rapport with my students from day 1. She was willing to take on any and all tasks in the classroom and was professional at all times. |
| Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher? | Yes |
| General Comments: | It was a pleasure to have Allison in my classroom. She worked well with me, my students, and other staff that I introduced her to. She is very insightful and I feel she will become a strong teacher as she gains experience in front of students. Great job Allison! |
